

Effective January 1, 2012, Posting Illinois Public Act 097-0609 (5 ILCS 120-7.3) requires that employers participating in the Illinois Municipal Retirement Fund post compensation information for designated employees. Information on employee total compensation packages equal to or exceeding \$150,000 per year must be posted at least six days before budget approval, and information on total compensation packages that exceed \$75,000.00 per year must be posted within six days of budget approval.

The River Forest Public Library is a component unit of the Village of River Forest. For full information on the Village of River Forest Compensation and Benefits, please visit: <https://vrf.us/government/transparency-a-foia/11-government/41-budget-a-financials#Compensation>
