#### **President's Report:**

President Ruggeri shared a security update. The individual previously convicted of trespass remains in custody with hearings scheduled at the Maybrook courthouse.

#### **New Business**

#### **Committee Reports**

#### **Facilities Committee**

The Facilities Committee reported the Phase 2 Team had their kickoff meeting with Engberg Anderson (EA) on January 24th. Their next meeting will be February 20<sup>th</sup> to discuss design, goals, and schedules. Following the kickoff, the committee met to discuss other issues which will be addressed in the Old Business section of this meeting.

#### **Finance Committee**

The Finance Committee had a meeting on February 5<sup>th</sup> to discuss the amended Operating and Capital budgets for FY 24-25 and the draft Operating and Capital budgets for FY 25-26. They discussed the Capital Asset policy that Lauterbach & Amen recommended the Library adopt. The Policy Committee will review it at their April meeting.

Director Compton presented highlights from each budget:

FY 24-25 Amended Operating Budget: Amendments include the addition of a Security line with \$10,000 budgeted. The budgeted funds were moved from the Natural Gas expense line since gas bills have been lower due to the new air handler unit. A

FY 24-25 Amended Capital Budget: The \$150,000 Foundation grant for Phase Two of the room renovation project was moved to next fiscal year. \$14,500 was added to RFPL Foundation Grants (revenue) and Furniture (expense) for new tables in the Barbara Hall Meeting Room. \$35,000 was added to Building expenses for interior window repairs and restoration.

FY 25-26 Draft Operating Budget: Last year's budget had substantial increases in some expense lines, but actual spending is projected to be below the budgeted amounts, so some expense lines are flat next fiscal year to be more in line with actual spending. Property taxes were estimated using the standard formula taking 98% of the 2024 levy and increasing it by the CPI increase of 2.9%. The State of Illinois has advised that Replacement Taxes will be lower next year. Interest revenue is projected to be lower due to falling rates. Personnel expense increased by 5.4%, which accounts for adding security monitors, room for merit increases of 3-4.5%, technology reimbursement, and covering leaves of absence, vacation and sick time. The Connections revenue and expense lines were reduced after discussions with the Township.

FY 25-26 Draft Capital Budget: Foundation grant of \$150,000 was added to cover Phase Two of the room renovation project. Interest revenue is lower due to falling rates. The budget includes computer replacements, replacement of the sewage ejector pump, the skylight replacement, and funds for Phase Two of the room renovation project. Since the Library has not received payment requests for the remainder of the room renovation Phase One project, those expenditures have been moved to FY 25-26.

There was some discussion of the proposed budgets. Trustees will consider and vote on all four budgets at the March Regular Meeting.

#### **Policy Committee**

The Policy Committee met on January 27th and revised the Meeting Room and Study Spaces policy which was approved earlier in this meeting. They agreed to ask the Finance Committee to do the initial review of the proposed Capital Asset policy. Director Compton presented an update of the Emergency Succession plan which addresses short-term and long-term absences and the permanent departure of the Library Director. The committee made some suggestions for improving the plan, and Director Compton took responsibility for the final draft. The Policy Committee will meet again in April.

#### **RFPL Foundation Liaison**

Ann Berens replaced Jim Hopkinson as the RFPL Foundation Liaison following her election as Foundation President at the February 5<sup>th</sup> Annual Meeting. Tom Smedinghoff, Janet Hanley and Rachel Goldrick were elected as Outside Directors and other officers were also elected. The Foundation approved goals and the budget for fiscal year 2025. The Foundation approved an RFPL grant proposal to fund the purchase of new tables for the Barbara Hall Meeting Room.

#### **Village of River Forest Collaboration Committee Liaison**

The Committee will meet next week.

**Replacement tables purchase for Barbara Hall Meeting Room (up to \$14,500) – vote**Office Space Inc. visited the Library to take measurements and talk to the staff about how the Barbara Hall Meeting Room is used. The staff liked the Enwork Zori tables, which cost \$9,588 for 12 tables plus delivery and installation.

Trustee Delano moved to approve an amount not to exceed \$14,500 to purchase 12 tables for the Barbara Hall Meeting Room. Trustee Carstens seconded the motion which passed on a roll call vote.

Roll Call Vote

Ayes: Delano, Long, Ruggeri, Saddleton, Berens, Carstens

### Second floor restoration proposals: ACR Restores (\$10,851.68) and Belfor (\$32,994.83) – discussion / vote

Two companies that have previously done restoration work in the Library provided proposals for restoring eight upstairs windows which suffered water damage. There is a significant difference in cost between the two proposals because Belfor would install drywall while ACR would restore with plaster and there are differences in the scope of work in each proposal.

The proposal from Belfor includes asbestos testing and painting of the entire north and south walls. The Board would like ACR Restores to add asbestos testing and complete painting of the two restored walls to its proposal. Director Compton will get clarification on several questions including what ACR Restores means by "retrofitting" the windows. The Board will consider the proposals again at its March meeting.

#### **Old Business**

#### **Phase One Room Renovation Project- update**

Director Compton reported that Oak Brook Mechanical is waiting until the spring to finish the previously approved HVAC punch list items.

#### **Phase Two Room Renovation Project- update**

Director Compton has received the project schedule from EA. There is a meeting with them on February 20<sup>th</sup>.

#### **Adjournment**

The meeting was adjourned at 7:24 pm following a motion by Trustee Berens which was seconded by Trustee Saddleton. All approved, and President Ruggeri adjourned the meeting.

Respectfully submitted, Elan Long, Secretary

# Director's Report

#### **Strategic Directions**

**Goal**: Update physical and virtual spaces to be cohesive, functional, flexible, warm, and welcoming

We continued to meet with **Engberg Anderson Architects** to develop the design for Phase Two of the Room Renovation project, and are on track to have renderings of the spaces this spring.

Spaces

Working with Office Space, Inc., we have selected the Enwork Zori flip-top tables to purchase for the Barbara Hall Meeting Room, thanks to a **generous grant from the RFPL Foundation.** 

Events, Services & Collections

**Goal**: Stimulate imagination, creativity, and a broad worldview by hosting fun and engaging events.

The **Winter Reading Program** wrapped up at the end of February. Children's had 90 kids sign up. 70 kids did some of the challenges, and 28 completely finished all 12 of the challenges. Adult & Teen Services had 18 teens and 45 adults participate in this year's Winter Reading Program.

Children's had a busy month, hosting 3 fan favorite programs –

- Chris Fascione returned to perform his classic Juggling Funny Stories event which had 29 attendees.
- Mark Anderson of Andertoons visited and hosted a choose your own adventure cartooning class, which had kids laughing and getting creative.
- We also had our annual stuffed animal sleepover.
  Kids dropped off stuffies to spend the night in
  the library, where they had a lot of fun after
  hours, exploring, reading, and getting into
  mischief!

Thanks to an Illinois Humanities grant received by Adult & Teen Services, we were able to host playwright and professor Ted Williams III, performing **1619: The**Journey of a People. This emotional performance was enjoyed by a dozen patrons and everyone that attended shared wonderful reviews.

On Wednesday, February 2<sup>nd</sup>, we hosted our first **Great Decisions** meeting of 2025. This annual, patron-favorite series meets on the 1<sup>st</sup> and 3<sup>rd</sup> week of the month for 8 sessions to discuss current

global topics chosen by the Foreign Policy Association. There is a core group of 10 patrons that attend every meeting and there is always an illuminating discussion.

<sup>\*</sup> Illinois Libraries Present events

#### Staff updates

- We welcomed James Salvatore and Sydnee Pate as Security Monitors and are very happy to have them on our team.
- Anne Kowalski, our Middle School & Teen Librarian, attended the Illinois Youth Services Institute Conference in Bloomington-Normal on February 27<sup>th</sup> and 28<sup>th</sup>. She attended panels on teen volunteers, collection development, and programming geared specifically towards middle schoolers.

<sup>\*\*</sup> Total users went down due to a cleanup of users that moved out of state long ago.

• The Sunshine Committee met to discuss how the Library could celebrate our wonderful staff for Employee Appreciation Day on Friday, March 7<sup>th</sup>. We surprised the staff with gift cards from local businesses, CAVA and Broken Tart, and staff were able to choose one.

#### Financial highlights

- The Library has received \$721,000 in 2024 tax disbursements this February and early March.
- 5 firms received an RFP for audit service from the Library, with a March deadline for proposals. My goal is to have an auditor recommendation to present at the April regular board meeting.

#### Facility updates

- Oak Brook Mechanical was on-site for an inspection of the HVAC system
- The Library's contract with Hulen Landscaping was renewed for another year.

#### Committee updates

RE: FY2024-25 Amended Operating and Capital Budgets and FY2025-26 Operating and Capital

Budgets

#### FY2024-25

#### Amended Operating Budget

There are no changes from the draft presented at the February board meeting. Amendments are in the Security and Natural Gas lines, raising the Security budget to \$10,000 (from \$0) and lowering Natural Gas to \$14,000 (from \$24,000).

#### Amended Capital Budget

As discussed at the February meeting, I moved most Room Renovation expenses to next fiscal year and adjusted other lines based on actual spending. There is one change from the February draft in Revenues. The RFPL Foundation Grant line increased from \$14,500 to \$15,500 to reflect the final cost of the tables for the Barbara Hall room (\$10,765) and the Study Space grant (\$4,733).

#### FY2025-26

#### Operating Revenue

There are two changes from the draft budget presented in February.

- The RFPL Foundation Grants line was increased to \$50,000 from \$20,000. The Foundation's annual budget increased their Short-Term Grant line by \$30,000, anticipating a grant request for a space needs analysis, so that is reflected in potential revenues in the Library's budget. The \$30,000 is also accounted for in the Consultant/Legal expenditures line of the Library's budget.
- The Liebner Fund Endowment was lowered by \$500 to more closely reflect actuals from this year.

#### Property Tax

Expected property tax was calculated by taking 98% of the 2024 levy (\$1,641,048), increasing it by CPI (2.9%), then rounding down to \$1,685,000.

#### **Operating Expenses**

After reviewing actuals with more data, I made a number of minor (less than \$1,000) changes throughout. Changes of \$1,000 or more are –

- Wages & Salaries decreased by \$1,500 while IMRF increased by \$1,500. I recalculated IMRF assuming a similar increase in 2026 as 2025.
- Advertisement decreased by \$1,000 to be more in line with actual spending.
- Consultant/Legal increased by \$31,500 for a total of \$41,500 (\$30,000 for a potential space needs analysis funded by the Foundation, \$1,500 \$2,000 in legal fees, and funding for some strategic plan consulting).
- Telephone/Internet increased by \$1,500 to account for taxes.

• Books increased by \$2,500 to be more in line with actual spending.

#### Total Personnel

There is a 5.69% increase in Total Personnel, with a 6.69% increase in Wages & Salaries. The \$933,500 Wages & Salaries line incorporates several factors:

- Current employee wages of \$847,500,
- Adding two Security Monitor positions for just over \$29,000,
- Room for merit increases of 3-4.5%,
- Technology reimbursement cost of \$3,000, and
- Funds for extra part-time shifts when people are sick, on vacation, or on leave.

The Serving Our Public 4.0 standard is to expend up to 60% of the budget on staff wages and up to 70% on wages plus fringe benefits.

#### Programming

There are increases in Adult and Children's Programs, Teen Programs is lowered slightly, and Special Programs is flat to be more in line with actual spending.

#### Support Services

Technical Support reflects the new Hassle-Free IT pricing.

#### Library Materials

There is an increase in the Digital Content and Print Periodicals lines. The In-House AV & Other Nonprint Materials line is flat. The Books and Automated Subscriptions lines have been reduced to be more in line with actual spending. We meet the state standard of spending 8-12% of the budget on materials at 11.5%.

#### Capital Revenue

There are no changes from the February draft. The \$150,000 Foundation grant for Phase Two is included, as well as a conservative estimate for bank and CDARS interest.

#### Capital Expenditures

There are two changes from the February draft -

- Furniture is increased by \$10,000 to \$20,000, in case I underestimated funds needed to replace office chairs throughout the building.
- I increased the Room Renovation and Bathroom Installation budget by \$25,000 to \$250,000. \$250,000 was the higher end of Williams Architect's estimate for the project, and that estimate is from two years ago.

#### The budget also includes -

- Funding for seven computer replacements (Technology),
- A \$15,000 contingency for HVAC repairs and \$10,000 for bid package fees for upgrades (boiler, valves, VAVs),
- \$6,000 to repair and reseal the front door and to reseal the sidewalk surfaces/joints (Exterior),
- \$30,000 to replace the sewage ejector pump (Plumbing), and
- A general \$15,000 contingency.
